INDEPENDENT AUDITOR'S REPORT

U S Participations Ltd.
Jamison, Pennsylvania

We have audited the accompanying statement of financial condition of U S Participations Ltd. as of December 31, 2002, and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of U S Participations Ltd. as of December 31, 2002, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

U S PARTICIPATIONS LTD.
Notes To Financial Statements
December 31, 2002

1. ORGANIZATION

U S Participations Ltd. ("the Company") is a registered securities broker/dealer with the Securities and Exchange Commission. The Company has agreed to limit its business to the distribution of direct participation programs. The Company, like other securities firms, is directly affected by general economic and market conditions. The Company is also subject to the risks of the real estate market because its business is limited to that industry.

2. SIGNIFICANT ACCOUNTING POLICIES

Securities transactions are recorded on a settlement date basis, generally when the transaction closes.

Income and expenses are recognized on the accrual basis.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates and assumptions.

Cash equivalents are defined as highly liquid investments not held for resale, with a maturity of three months or less when purchased.

3. INCOME TAXES

Effective January 1, 2002 the Company elected to be taxed as a Subchapter S corporation under the Internal Revenue Code. The Company made a similar election with the Commonwealth of Pennsylvania. Under Subchapter S the net income of the Company is passed-through to its shareholders.

4. RELATED PARTY TRANSACTIONS

The Company has an "Expense Agreement" with Northeast & Bucks Co T/A Mullin & Lonergan Associates Inc. (M&L) which is an affiliated company. Under the terms of the agreement M & L agrees to pay all of the overhead expenses of the Company. The Company is not obligated to repay M & L for such disbursements but may repay M & L at its discretion, provided that such repayment does not result in the Company's net capital falling below 120% of its minimum requirement under SEC Rule 15c 3-1. No repayments were made in 2002.

5. COMMON STOCK TRANSACTIONS

During 2002 the Company reacquired 268 shares of its common stock from a shareholder for \$5,000. The acquisition was in accordance with a "Buy-Sell Agreement" dated September, 1994.

6. NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of the Securities and Exchange Commission, the Company is required to maintain a minimum net capital as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2002, the Company had net capital and net capital requirements of \$51,744 and \$5,000, respectively. At December 31, 2002, the Company's net capital ratio was .03 to 1.

Board of Directors
U S Participations Ltd.

In planning and performing our audit of the financial statements and supplemental schedules of U S Participations Ltd. (the Company) for the year ended December 31, 2002, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (SEC) we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1) Making quarterly securities examinations, counts, verifications, and comparisons.
- 2) Recordation of differences required by Rule 17a-13.
- 3) Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2002, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the NASD, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
